## In Honor of the Original Four

MR. EDWARD W. GRAY, MRS. POCAHONTAS S. WHITE, MISS CORNELIA FENNELL, MRS. MARY C. DeVANE.

The dedication of a yearbook is always a heartwarming job for the staff because it gives us an opportunity to show our appreciation to outstanding persons.

In recognition of their outstanding records of service, and achievement, and for the inspiration they have given us, the 1966 HORNET is dedicated to Mrs. M. C. DeVane, Miss C. E. Fennell, Mrs. P. S. White and Mrs. E. W. Gray.

The original four are noted for their warmth, understanding and devotion to high principles. Whether providing guid-

ance or instructing students in English, history or agriculture, their quest for perfection is always evident. They have provided one of the vital strengths which composes the foundations of education at Clear Run High School.

Throughout your years of service you have been endeared to the hearts of the students of Clear Run High, and for the generous gifts of yourself and your possession of the entire student body acknowledges with sincere affection that your altruism is not unnoticed.

## TO THE CLASS OF 1966

You have come to the end of your sojourn through high school. I say end with misgivings. It really isn't an end, but a new beginning.

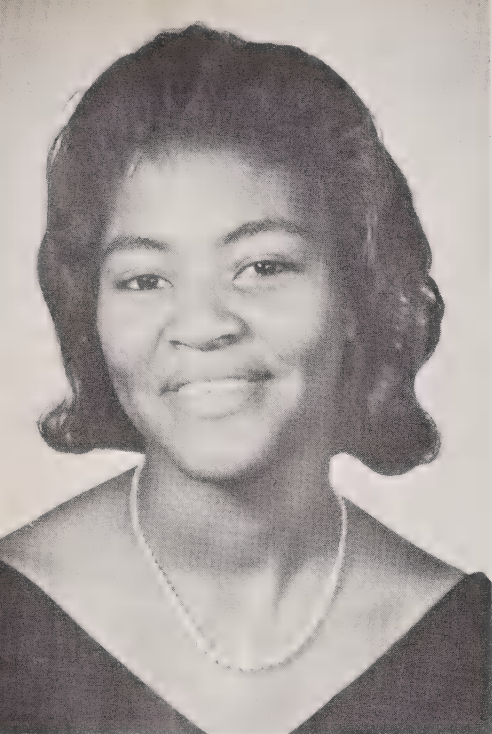

For many, it will be the beginning of a college education, and for others, the beginning of employment. Whatever your choice, we know that every effort was made to make your years at Clear Run High School rich opportunities of educational experiences which will furnish a foundation for successful living. We admonish you to choose wisely, to plan imaginatively, and to work industriously in carving out a career of which you and the school can be proud.

I extend to you hearty congratulations and best wishes. To the members of the Yearbook Staff, we express appreciation for a task ably and willingly performed.

Sincerely yours,

## MR. GEORGE W. TYLER

### Principal

Mr. Tyler was born in Vance County, Kittrell Township in the state of North Carolina.

His early education was received in the public schools of Kittrell, North Carolina and the High School Department of Kittrell College, Kittrell, North Carolina. Two years of college work were completed at Kittrell College. Because of the closing of the College in 1934, he entered Fayetteville State Normal School in 1935, completing the required work in 1936.

After teaching for a brief period, Mr. Tyler engaged upon the idea of becoming a Brickmason. For more than twenty years, he worked at this trade, advancing to the position of Foreman of jobs in many states. Because this type of work requires traveling from place to place, he began to tire of it. The yearn to become stationed began to occupy his thoughts and the idea of going back into the teaching field became an obsession.

In 1957 and for the next two years, Mr. Tyler was enrolled at Fayetteville State Teachers College -- now Fayetteville State College. After completing his work there, his first job was at the Charles E. Perry School, Roseboro, North Carolina.

In 1959, he enrolled in Boston University, Boston, Massachusetts, where he received the Master of Education Degree in 1961. He has done advance study at North Carolina College in Durham, Durham, North Carolina, and North Carolina State University at Raleigh, Raleigh, North Carolina.

## MRS. DeVANE NAMED GUIDANCE COUNSELOR

Mrs. DeVane, who is a graduate of Livingstone college and North Carolina College, joined the faculty of Clear Run High School in 1957 as Instructor of English and Biology. She soon became Head of the English Department, and from position was promoted to the position of Guidance Counselor of Clear Run High School.

Mrs. DeVane has received not only the glory of her position but the pains of the hard work as well. This can be recognized when she is seen checking records, sending transcripts, and aiding students with personal and school problems.

Mr. Tyler, Ronald Murphy, President of the Student Council; and the Counselor meet to discuss Evaluation and other school problems.

# CLEAR RUN HIGH SCHOOL

Clear Run High School, as it approaches the termination of another school year, may look with pride at its accomplishments. This year, 1965-66 has been a good year.

Enrollment during the 1965-1966 year increased to which is one of the largest enrollment figures in the history of the school. We hope that this increase in enrollment means that students have reviewed their outlooks on life and have concluded that education is all-important.

The instructional staff, the heart of any school, is continually being strengthened. This year's newcomers are Mrs. Yvonne Smith, Mrs. Louise Bert, Mrs. Janet Spaulding, and Mr. James Hall.

This year has been one of many changes which have all been geared toward a twofold purpose -- providing the most thorough education possible for the students and at the same time making school life at Clear Run High an unforgettable, as well as profitable, experience.

The curriculum at Clear Run High has also undergone a great change in order to meet the varying needs and abilities of the students. Courses added this year are consumer mathematics, journalism, music theory, and consumer music.

We sincerely hope that our goal has been reached and that each student who has attended Clear Run High School will become a better person for having passed this way.

# ACADEMICS

Mr. Newkirk places emphasis on Current Science in his Physics class.

Mrs. Spaulding points out the Major Scale with three #'s.

## ACADEMICS

Mrs. Gray offers many useful skills for the Future Homemaker.

Sidney Gray points out the various motors to his classmates as Mr. Gray looks on.

Fingering is very important in the field of Business Education. Mrs. Davis emphasises this point to Richard Fennell.

## STUDENT COUNCIL

The Student Council is the most dynamic student organization on the campus. It represents the machinery of the student body and each spring the officers are elected. The other members of the council are delegated by each class division. In addition to reckoning with varied pertinent campus issues as they may disentangle or as they may be conceived by the governing body, the Council boasts that one of its immediate but contingent purposes is that of interpreting the philosophy of the school to the student body.

The Council also strives to instill within the student body as well as its members an acute awareness and a personal sense of responsibility to keep abreast of current affairs.

Ronald Murphy, President, of the Student Council, was born and reared near Ivanhoe, North Carolina. He received his elementary education at Bland Elementary School, Harrells, North Carolina.

RONALD MURPHY, President

After leaving Bland School, he entered Clear Run High School and engaged in some of the school's activities. He is a member of the French Club, Future Teachers of America, Science & Mathematics Club. On the basis of academic scholarship, leadership, service, and character, he has been selected as a probate for the National Honor Society. After graduating next year, Murphy plans to enter college and pursue a major in mathematics.

## THE CORNOATION OF THE RADIANT MISS MERITA CARR AS "MISS CLEAR RUN"

Members and friends of the Clear Run family witnessed one of the most elegant pageants ever presented at Clear Run when the lovely Miss Merita Carr was crowned "Miss Clear Run." The gala affair took place in the gymtorium on Tuesday night, November 23, before a packed audience.

Ronald Murphy, President of the Student Council, acted as narrator for the coronation ceremonies. After the class queens, the attendants-elect to "Miss Clear Run," Alice Brunson and Macie Wright, and "Miss Clear Run-elect," Merita Carr, appeared.

They were trailed by Charlene Pierce, Sandra DeVane, and Otis Newkirk, school Mascots.

After Miss Carr was impressively installed as "Miss Clear Run" by Mr. Tyler, she responded by saying that this privilege was a golden ball of memories.

## ACKNOWLEDGEMENTS

As I look back over the pages of the HORNET, I begin to wonder if we have left unrecorded some of those things that will become so important in later years. We have recorded much. Forgive us the omissions. Perhaps they could not be avoided.

As is the case with all yearbooks ever published, many endless hours of concentrated effort by some special people aided in the production of this edition. Among the special people are you -- each student, each faculty member and the principal. Each one of you has helped make this edition possible by being in place when pictures were taken and by furnishing information when it was requested. We also owe a special debt of gratitude to other individuals who served unselfishly; Miss A. C. Billie, our Coordinator, who played a far greater part in this yearbook than any of us, and helped to make this yearbook more than a dream or a vision.

She above all helped to make it a reality; to the members of the year-

book staff who worked hard giving much of their time and energy; to Mr. Tyler, our principal, who cooperated with us at all times; and to Mrs. Y. M. Smith, who worked diligently to help us avoid making too many grammatical errors.

No yearbook can be better than its pictures, and to Mr. James Peeler, our photographer, orchids are due for his patience and cooperation. And finally, we owe our gratitude to those who were kind enough to be patrons and place advertisement in our book. They helped to make this edition possible.

The yearbook staff joins me in the perusal of the 1966 HORNET will give delight and provide you with pleasant memories of an important years of your life.

Brenda,

It is indeed an honor to have the  
pleasure of signing a Freshman's book (smile)  
But nevertheless I had to pass through  
the same stage myself. Believe it or not  
After you get out of the ninth grade  
your years just seem to float past.

About all this love I read on the  
next page, who's ever loved you more than  
I have (smile) I'll always remember a small  
kid as you because if you don't look very  
hard you'd never know you were around (smile)  
Pay me no attention. I guess you know I'm  
only kidding, but to be truthful you are  
as cute as you can be and ever day our  
good lord sends to me you look even better.

By the time you reach the age of a  
young lady one are gonna be one fine  
thing. Don't let all this go to your head (smile)  
But really you are the makings of a nice  
woman. Remember me always as one who  
really loves you. I'll never forget you, and  
hope you won't forget me nor the girl I love.  
P.S. Best of luck to you  
and you Rover.

Si

A Friend

(Reserved)

Dearest Brenda,

Words cannot express my deepest thoughts for you, so I'll just write a brief passage.

The time draws nearly and we'll won't be seeing each other at school again, but I hope our friendship will continue for a long time.

But of course I'll always think of you and maybe in the near future we can get back together. I know that you're thinking of someone new as of now; but never-the-less I'll still care for you.

It has been a very thrilling senior year for me, that is having someone like you around. I regret to the highest that I didn't accept your love, but the mistake has been made, and someday I hope to correct it. (smile)

I hope you'll always keep me in mind for I'll never forget you.

I know it's a little late now, but I will say that sadness lingers in my heart, for I now realize that I care so much for you. Maybe someday I'll get the second chance, so until then (I love you)

P.S. Good luck to you next year and the years to follow. I know by then you'll have someone else but I ask that you always remember me.

Loving you always,  
Bobby
